5. Transport Notes

- Transport charges are variable and will be billed based on kilometres travelled to and from activities and the centre, at a rate of \$0.99/km for non-modified vehicles and \$2.76/km for modified vehicles or buses.
- Actual transport costs may vary depending on activity, location and travel frequency.

Notes: Description of Supports

- **Group Support (1:3 ratio):** This support provides assistance and supervision in a group setting where one support worker assists up to three participants, facilitating social, recreational, and skill-building activities.
- **Centre Capital Cost:** Covers the use of the centre's facilities, equipment, utilities, and maintenance required to deliver the day program.
- **Transport:** Transport charges are variable and will be billed based on the kilometres travelled to and from activities and the centre.
- **Non-Face-to-Face Support:** Includes time spent on activities related to participant support that do not involve direct face-to-face contact, such as planning, reporting, and coordination.
- **Establishment Fee for Personal Care/Participation:** A one-time fee of \$702.30 each, covering the initial setup and assessment for personal care or participation supports, applicable where a minimum of 20 hours of support is scheduled per month.
- **Participant-Paid Items:** Activity materials and outing tickets are not covered under NDIS funding and must be paid for by the participant.
